

Manufacturers' Certification Statement

Pertaining to the Further Consolidated Appropriations Act

This Certification Statement¹ provides verification that certain Infinity[®] brand exterior windows and doors meet the eligibility performance criteria for tax credits identified in the Further Consolidated Appropriations Act² which extended the credits through December 31, 2020.

Manufacturer:

Infinity[®]
401 State Ave N
PO Box 100
Warroad, MN 56763

To qualify for the energy tax credit, homeowners must purchase and install qualifying ENERGY STAR[®] windows or doors³. To demonstrate eligibility for the credit, save your receipts, a copy of this document, NFRC certification documentation, and comply with all applicable IRS requirements. NFRC certification documents include one of the following: a temporary NFRC label, a PDF of the temporary NFRC label, a reprinted sample label, or a Sales Order Energy Information Summary showing certified U-Factor and SHGC ratings of the product(s) for the zone the product is installed in to be claimed for credit. Consult IRS rules for additional forms and a complete description of tax credit requirements.

Infinity[®] expressly disclaims any responsibility or liability regarding the homeowner's ability to obtain tax credits. Always consult your tax advisor.

Infinity[®] strives to provide timely and accurate information via its website. Infinity[®] expressly disclaims liability for any typographical or other errors appearing on its website.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

Brad Fevold
Director of Regulatory Affairs

1. This certificate is provided as a convenience to the purchaser. It is not a complete description of the requirements to obtain the tax credit and is not a substitute for professional tax advice.
2. The amendments apply to property placed in service after December 31, 2017 and allow the credit to be applied for 2018 and 2019, expiring December 31, 2020.
3. Not all ENERGY STAR products qualify for tax credits. For a list of eligible products, see energystar.gov.
